Welcome to July! 😊

Thank you for joining us at Rock!
Happy Independence Day to you all.

Continue to "Come Boldly in 2018!" The outside air has certainly warmed up and with it we are seeing greener trees, stronger storms, brighter fireflies, more radiant rainbows, more vibrant flowers, and so much more. We see God's hand in the midst of the nature in which we live! He created such a beautiful masterpiece (you!) and then placed that work of art in the midst of His intricately designed Earth. YOU WERE created to glorify His name throughout all of this Earth. As nature blossoms all around you, take a moment to embrace the love of the Father! The Father of the universe loves you so much that He placed you here in the midst of an extraordinary landscape. Our God is bigger, greater, and more extravagant than all of our imaginations! He created soil that can produce life and trees that can produce the oxygen that sustains our lives.

HE blew His very breath into us at the beginning of time!
How amazing is that!?!?!?

**"If the stars were made to worship, so will I.
If the mountains bow in reverence, so will I.
If the oceans roar your greatness, so will I.
If everything exists to lift You high, so will I!"**

("So Will I", Hillsong United)

Why wouldn't we live to pour our praises back to Him! Let the very breath in your lungs daily sing praises back into this earth! Let the picturesque images of the outdoors remind you of how much He loves you, how He adores you. Show His love to those around you during this summer.

We love you!
