Thank you for joining us at Rock Church this month! Encountering God afresh should be our daily priority. This month take time to dig into God's Word, dive into worship, devote time to prayer, and develop deeper connections with those around you. Take time to encounter the

Lord, but also encounter your neighbors, encounter your family, encounter your friends, and encounter strangers. Remember that your face may be the first glimpse of Jesus that someone may see. Remember that you carry His presence, so you have the opportunity to introduce Him to everyone around you! Matthew 5:16 reminds us to "let your light so shine before men, that they may see your good works and glorify your Father in heaven." When we represent the Father, we expose those around us to His face. So remember to smile and be friendly to everyone you encounter!

Be a bright light!!

We love you!
