Thank you for joining us this month at Rock Church! Spring is in the air and we can't be happier. We can not only feel the goodness of Creation, but we can see it all around us. Take time this month to embrace the wonders all around that God created just for you! He painted beautiful sunsets, designed exquisite flowers, created beautiful butterflies, dragonflies, lady bugs, birds, and so much more! His promises for you are as incredible as a colorful rainbow after a storm. Take time out of your busy day to soak it all in. The Creator created all of creation for His created! He loves you so much! All of creation adores Him, why wouldn't it? He is worthy of all of our worship and praise. Let's exalt His name far above all else. Make a joyful noise and worship the Creator with all that you have within you. He's worth it!

We would like to invite each of you to join us as we celebrate 44 years at Rock Church in Franklin, Virginia. We will celebrate with family and friends on Friday, June 7th - Sunday, June 9th. Dr. Jay & Linda Leroux will be coming to minister during these special services. Please join us as we celebrate family!
