# Rock Church

130 Lakeview Road  
Franklin, VA 23851  
(757) 562-3878

Thank you for joining us at Rock Church!

Our Mission Statement:  
*FAITH - FAMILY - FUTURE*

Our Mission Statement:  
*As a local church, under God's direction, we will create an environment where a body of believers can stir a **FAITH** in God, establish a **FAMILY** in God, and pursue a **FUTURE** in God. We are a Spirit-filled congregation that is multi-cultural, multi-racial, and multi-generational in membership and leadership.*

September is "Cast the Vision" month! We will take this month to review why we do what we do! The purpose is as important as the process. God is moving in our midst and we are so glad that you have joined us on this journey. God is good and He is faithful. The Ben S. Dillon Life Center vision is being fulfilled, dreams being seen, and God preparing the way for tomorrow's harvest! The fields are white unto harvest in Franklin/Southampton County! Stretch your

faith and share your Jesus with the world  
around you. Then watch Him work wonders!

We love you so much!

*Pastors Danny & Jill Dillon*
